Learn about numbers, colours, shapes and animals in these cube shaped books

Four Books

+

A Stacking Toy

+

Four Puzzles

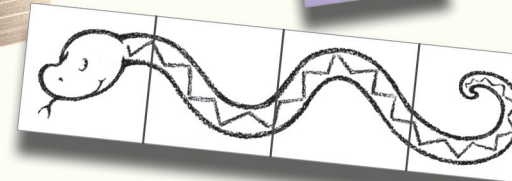

...All in One Box!

Key Selling Points

A perfect introduction to first concepts for pre-school children; colours, numbers, shapes and animals, with bold, eye-catching illustrations. Printing on all sides of the cube shaped books create a robust building block and a traditional stacking toy. The blocks can be used to make four animal puzzles and a counting tower.

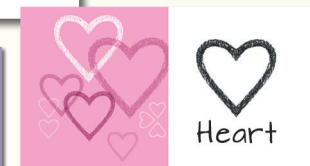

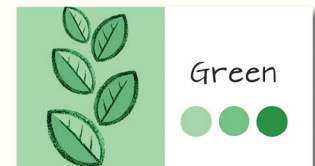

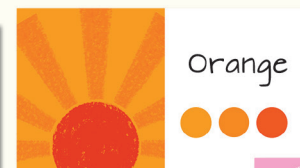

Stack the cubes to count...

...and reveal block puzzles

*Great travel toy for toddlers!

Five Speckled Frogs

Can you count to five and back again?
Join the wildlife down by the pond.
Add, subtract and sing along with
Five Speckled Frogs.

By Gill McLean

Book Specification

6 pages (175 x 245mm)
Board book with four diecut pages
First concepts for pre-school children
£ TBC

Key Selling Points

A fun introduction to counting and maths. Turn the pages of this die cut book and see the speckled frogs hopping into the pond one by one. Bold graphics illustrate adding and taking away, turning first maths concepts into a musical game.

Five Little Ducks

Learn to add and subtract whilst mother duck keeps a watchful eye on her wandering brood.
Sing along with Five Little Ducks.

The sister title to *Five Speckled Frogs* coming soon...

*On the Drawing Board...

Winter Wonderland

Where are the baby bear cubs?

Can you help the forest animals find the bear cubs?

Turn the pages through the snowy landscape to reveal their hiding place.

** New
Edition*
