Beautiful books to inspire care and wellbeing for a bright future

# Welcome

to the Storyhouse Publishing catalogue.

It's been a year since we published our first book and we are very grateful for all the support we have received from booksellers, librarians and from publishers outside the UK. Thank you! We love what we do and are excited to reveal our new titles.

Over the past year, our books have been selected for reviews in national newspapers and blogs and we have been shortlisted for many book awards.

Our small team are passionate about creating strong, beautifully illustrated stories which include ideas about care and wellbeing for each other and our planet.

We hope you continue to follow us on our journey.
