THE AUTHOR

Nicky Dee is a dedicated dinosaur expert and HUGE fan! Having fallen under the spell of these ever-popular prehistoric creatures, she's changed her career to write books about dinosaurs full-time.

THE PALAEOLOGIST

Every fact is checked by consulting palaeontologist Dr Dean Lomax, so you can be sure that the books and images reflect the very latest scientific discoveries.

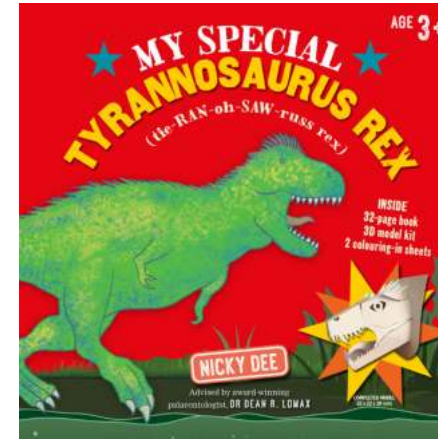

PRE-PRIMARY BOOKS & MODELS

Age 3+

A pre-primary series of books and models. Perfect for the minds and hands of very young dinosaur fans.

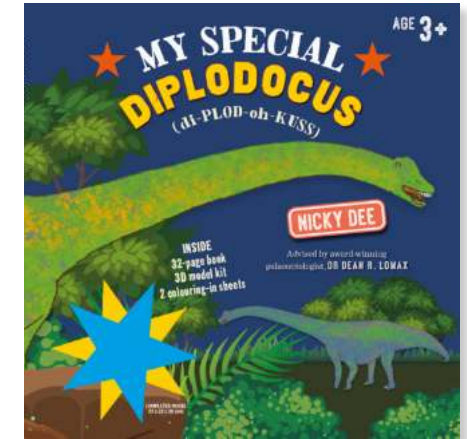

This time the format is a large paperback book with tailored facts and images for young minds, with the six pre-cut sheets ready to press out at the back of the book. These models are 100% recyclable and are made up of 12 easy to assemble pieces.

WHAT'S INSIDE?

INDIVIDUAL DINOSAUR BOOKS

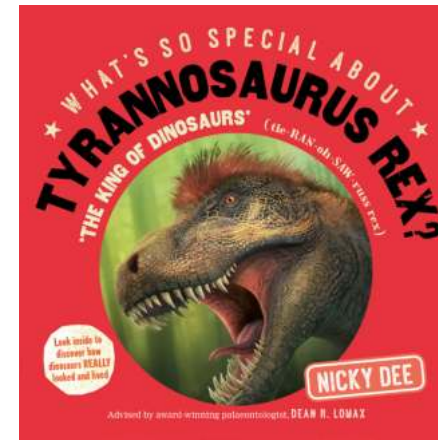

Age 5+

With a unique 'one book, one dinosaur' approach and backed by the latest paleontological research, you'll find new insights into how dinosaurs really looked, lived, survived and thrived, bringing children's knowledge right up to date.

The bite size chunks of text are written in child-friendly language and the dinosaur names are spelt out phonetically, which is a great help to children, adults and teachers.

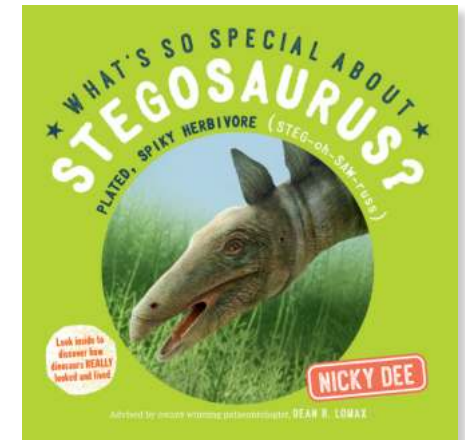

Bright, colourful and highly collectable.

Book extent: 32 pp + cover, full colour
Dimensions: 20.5 x 20.5 cm
RRP: GBP £5.99

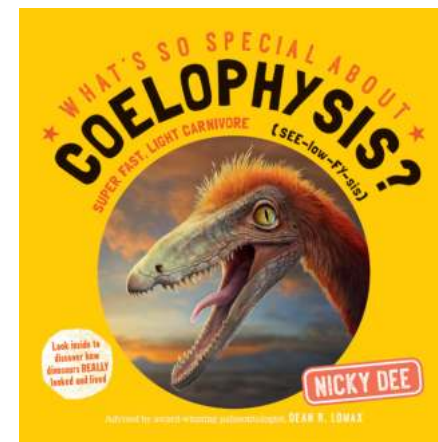

T. REX

the 'King of the Dinosaurs', the ultimate bone cruncher

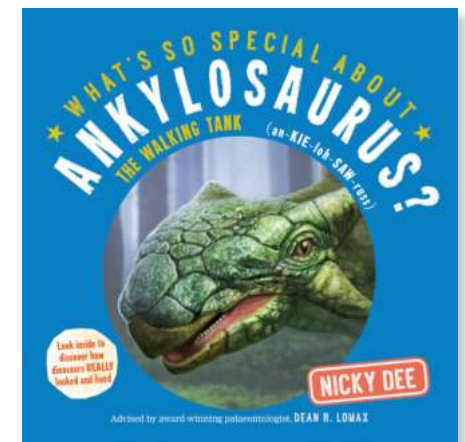

STEGOSAURUS

plated, spiky herbivore with a brain the size of a walnut

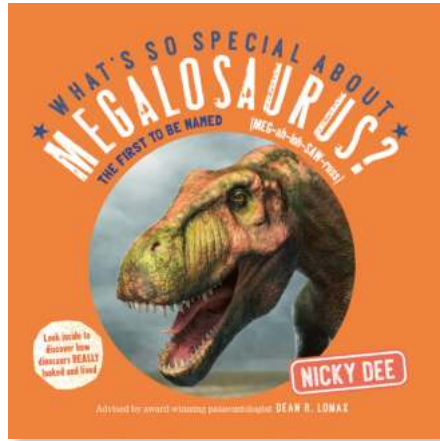

COELOPHYSIS

super-fast, light carnivore; the first dinosaur to travel into space!

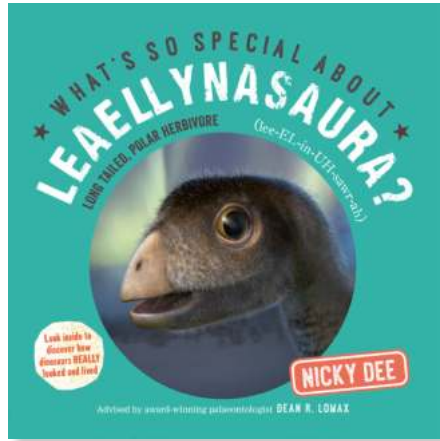

ANKYLOSAURUS

the walking tank; heavily armoured and well protected

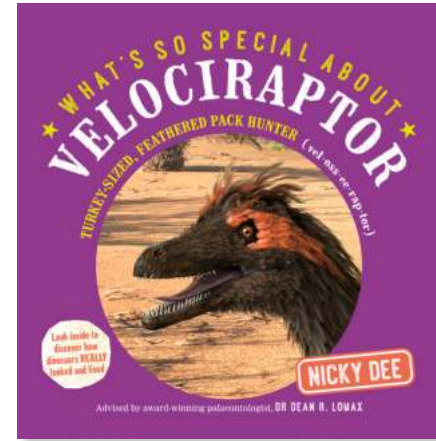

MEGALOSAURUS

the first to be named,
having been discovered in
Oxford, England

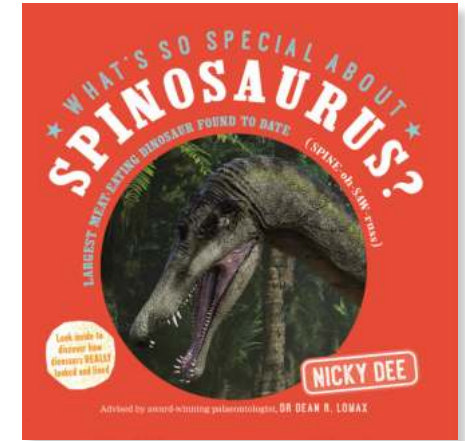

LEAELLYNASAURA

long-tailed, polar herbivore
from Australia

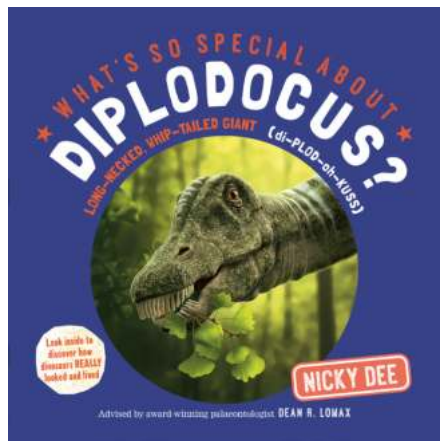

VELOCIRAPTOR

horned dinosaurs

Book extent: 128 pp + cover
Dimensions: 19.8 cm x 12.9 cm
RRP: GBP £6.99

SPECIAL BOOKS

Chapter books will run
along-side the series, each
dedicated to a specific
dinosaur topic. The first
is *The Bone Wars*. A great
adventure story about the
battle to become the most
famous dinosaur hunter
in the world. A true tale
crammed full of sneaky
tactics, spying, guns, TNT
and dinosaurs!

THE MODELS

Age 6+

100% recyclable dinosaur MODELS, plus a 32-page BOOK full of the latest facts and stats dedicated to that dinosaur.

Follow the clear, step-by-step photographic instructions to build the dinosaur model. Simply press out the pre-cut shapes and slot them together to make the dinosaur, which when assembled creates a robust model that is lighter than a smart phone! Perfect to hang on a bedroom wall.

Great family fun creating a dinosaur masterpiece whilst discovering the latest scientific facts about that creature.
